

HOW AN INDIANA GIRL

Got Strong and Well Again at Small Cost.

Miss Alta Abel, of West Baden, Ind., says: "I was a complete wreck, always tired, wornout and nervous. I had to spend about one-third of my time in bed and my life was not worth living. Vinol, your delicious cod liver and iron tonic, was recommended, and it has done me more good than all the medicine I ever took in my life. That nervous and tired feeling is all gone. I have gained in health, flesh and strength, until I feel like another person."

Vinol is the most efficient strength-creator for such women. It is the medicinal elements of the cods' livers contained in Vinol, aided by the blood-making and strengthening properties of tonic iron, which makes it so far superior to all other tonics to build up health and strength for weak, tired, ailing women. It contains no oil and has a delicious taste.

We give back your money if Vinol does not do all that we claim.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patients strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
